Distinguished Banker Award Recipient Scott Tewksbury Heartland State Bank, Edgeley ND

Scott Tewksbury, CEO/President of Heartland State Bank, Edgeley, was presented with the **2018 Distinguished Community Banker Service Award**. The award was presented to him during the closing banquet of ICBND's 51st Annual Convention by David Mason, Market President of First International Bank & Trust and Chairman Elect of the ICBND.

The Distinguished Community Banker Award was created in 1998 by the Board of Directors of ICBND to recognize the efforts of its most outstanding members. It is the most prestigious award given by ICBND. This award, which need not be given away every year, honors a community banker or someone who was a community banker for exemplary and outstanding service to community banking over an extended career.

Tewksbury grew up on his family's farm in Edgeley, ND and graduated with a degree in Agronomy. In 1982 in addition to farming, Scott worked as a farm financial analyst at the North Dakota State University. In 1988 Scott joined Security National Bank, now known as Heartland State Bank in Edgeley as a loan officer. He has been the President of this bank since 1990. Tewksbury served as the ICBND Chairman of the Board in 2008 and has been the ICBA Federal Delegate representing North Dakota since 2015.

Congratulations, Scott!

Walking Haunted History Tour—Downtown Bismarck
Non-Golfer Event

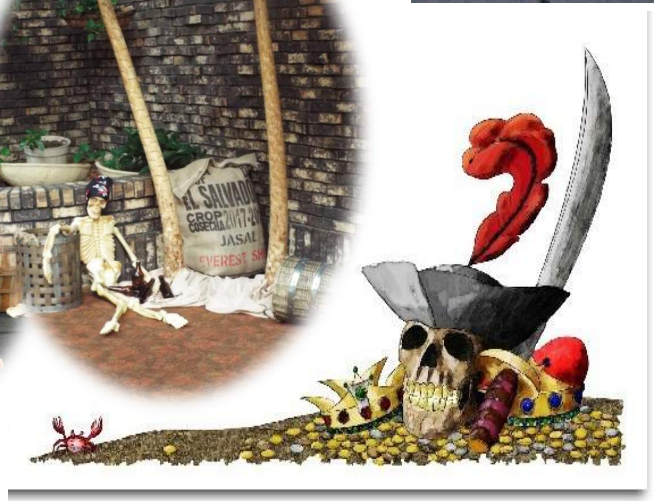

This walking haunted history tour of downtown Bismarck highlighted our rich and interesting history that includes gunfights, stabbings, hangings, prostitutes, gambling, prohibition, corruption, death, stand offs, fires and even a ghost story or two! The tour took about 45 min. and spanned about a mile total. We did not go in the full tunnels, but we did have a spooktacular tunnel spot we visited!
